

Cognition

and

Depression

MULTIPLE SCLEROSIS

Thank you for your interest in the upcoming Cognition and Depression in Multiple Sclerosis conference that will be held at The Brain Institute at The University of Utah. The University of Utah Multiple Sclerosis conferences discuss updates in topics in Multiple Sclerosis. We host national experts in topics and issues that broaden and expand the knowledge and expertise of local and regional Neurologists and other medical personnel who specialize in Neurological diseases and problems. The Cognition and Depression in Multiple Sclerosis conference will focus on cognitive impairment and depression related to Multiple Sclerosis.

The Cognition and Depression in Multiple Sclerosis conference will bring together Neurologists and other healthcare providers such as neurosurgeons, family and primary-care physicians, nurse practitioners, physician assistants, residents, and students and those interested in Neurological issues and problems related to Multiple Sclerosis.

The Cognition and Depression in Multiple Sclerosis conference is an ACCME accredited CME activity that will offer each participant *3 AMA PRA Category 1 credits*[™]. We would like to express our sincere thanks to our faculty, the National Multiple Sclerosis Society Utah Chapter, our supporters and exhibitors, and to all of you who will be participating in this exciting event.

John W. Rose, M.D. – Course Director
